Resident, 84, In 'Good' Condition

**John Van Wieren Found
By National Guards;
Sought Since Friday**

A four-day search for an elderly Holland man, missing from his home since last Friday afternoon, ended on a happy note Tuesday afternoon when the man was found alive deep in the Black River swamp on the north side of Holland.

John Van Wieren, 84, of 299 West 19th St., was reported in good condition today at Holland Hospital following his four-day ordeal. Van Wieren was found at 5:20 p.m. Tuesday by Sp-4 Lauren Wassink and Sgt. Robert Alderink, part of a National Guard search party which had volunteered to aid in the search Tuesday afternoon.

A total of 16 guardsmen, headed by 1st Sgt. Ray Naber, joined the search at approximately 5 p.m. Eleven guardsmen on foot, under SFC Jay Berens, entered the swamp, working south from Black River at four to five-foot intervals. About 20 minutes after entering the tall swamp grass, Wassink and Alderink saw Van Wieren.

They found the elderly man lying in a small clearing, some 500 yards south of Black River, near a small backwater. Berens said Van Wieren told guardsmen, "I don't ever remember being here before."

A National Guard truck sent through the swamp to pick up the tired man bogged down in mud, and guardsmen carried Van Wieren the 500 yards back to the river bank on an improvised stretcher.

Guardsmen said Van Wieren volunteered to walk while being carried out of the swamp. Police Chief Jacob Van Hoff said police received their best lead as to Van Wieren's whereabouts from 13-year-old Chuck Brower of 92 East 17th St. late Monday afternoon.

The youth told police he had seen an elderly man walking down a road leading to Black River and around the edge of the swamp about 7:30 p.m. Friday while he was fishing in the area.

Police said the youth's description of the man matched that of Van Wieren, and the youth was able to identify a picture of Van Wieren as the man he had seen. Police called for Ottawa County Sheriff Department bloodhounds about 5 p.m. Monday. The dogs followed a trail along the road beside the river and lost the trail where the road ended along the river bank.

Police, aided by the Ottawa County Water Patrol and private individuals in boats, dragged the river Tuesday morning while other searchers combed the swamp.

Van Hoff said the search of the swamp was organized on the theory that Van Wieren, if he were not in the river, may have headed south through the swamp toward the city lights.

Volunteers in 11 jeeps, along with volunteer members of the Ottawa County Sheriff's horse posse, searched through hip-high swamp grass and cattails Tuesday afternoon.

A Coast Guard helicopter from Traverse City was requested to help searchers Tuesday morning. The helicopter was grounded by fog until afternoon when it left for Holland. Van Wieren had been found while the helicopter was in the Muskegon area enroute to Holland.

Holland Coast Guardsmen radioed Muskegon Airport to contact the helicopter and inform its crew Van Wieren had been found. At 5 p.m. a fire alarm was sounded, sending Holland firemen to Fourth St. and Central Ave. where they were to have entered the search. Firemen had just entered the swamp when Van Wieren was found.

Jeeps Tuesday afternoon had covered most of the area which National Guardsmen searched, but because of soft ground had not been able to work as far south as the men on foot.

Guardsmen remained bogged down in the swamp until 8:30 p.m. attempting to free their trucks. Naber said a second 2½-ton truck, sent to pull out the first which had become mired, also got stuck. A three-quarter ton vehicle with a winch, anchored to a third 2½-ton vehicle was used to free the two large trucks from the mud.

Police had been led to carry on the search for Van Wieren south of Holland and in the Graustep area last Saturday and Sunday by tips from persons who reported spotting him in that area. Calls were received informing police that Van Wieren had been sighted as far away as Saugatuck and Fennville.

Until the Brower youth's lead late Monday afternoon, police spent the day checking out individual tips which failed to turn up any good leads.

Police said Van Wieren had been reported to wander frequently, and on several occasions had become

\$4,000 Scholarship Goes to HHS Senior

Daniel Nelson Campau, son of Mr. and Mrs. Harry A. Campau of 113 East 24th St., Holland, has been awarded a David Whitney Jr. scholarship given by the Katherine Tuck Fund for children of Parke Davis & Co. employees.

The scholarship is for \$1,000 each year for four years, subject to maintaining personal and scholastic standards.

Young Campau, a senior graduating this week from Holland High School, has been accepted by the University of Michigan. His father is employed at the Holland plant of Parke Davis.

The scholarship is one of two offered by the fund each year for children for the company's employees.

Dutch Mill Expert Invited To Visit City

Following a review of Project Windmill developments by Willard C. Wichers who recently returned from the Netherlands, City Council Wednesday night voted unanimously to extend an invitation to A. J. de Koning, technical adviser to the Foundation of Netherlands Windmills, to visit Holland, Mich., to advise and consult with the mayor's committee regarding site and construction of an authentic windmill here.

Costs of the project have not been determined, although Wichers said Dutch officials tentatively put a price tag of 100,000 guilders (\$28,000) on such a restoration project. How these funds would be raised would be determined later.

Wichers was sent to the Netherlands by the local committee to arrange if possible for an authentic mill, preferably a grain mill, for this city. Despite early discouragements because all Dutch windmills are national monuments, Wichers emerged with the encouraging report that this city probably would obtain one of the last two mills to leave the homeland.

Besides issuing a formal invitation to de Koning to visit Holland, Council passed a resolution which also commended Dr. David Hofmeijer, director of the Netherlands Emigration Service, who had been particularly helpful to Wichers in his quest for a windmill for Holland.

Besides providing Wichers with an office and secretary, transportation and other services, Hofmeijer was responsible for making funds available for sending de Koning to Holland to study sites and to consult with the local committee which is headed by Carter Brown, originator of Project Windmill.

Wichers told Council that Dutch windmills are leading tourist attractions in the Netherlands. When it is necessary to tear down a mill for road or construction development, all parts are carefully kept to be used in restoration or repairs elsewhere. Huge crafted wooden gears are no longer made.

Man Charged In Breakin

Kenneth Joe Arens, 21, of 132 West 32nd St., arrested in connection with a string of burglaries in the Holland area, waived examination Monday afternoon in Municipal Court on a charge of breaking and entering in the nighttime.

Arens was charged with the May 13 breakin at the Wooden Shoe Restaurant, Factory and Tap Room. He was bound over to Circuit Court to appear June 11. Bond of \$2,000 was not furnished. Arens is being held at the Ottawa County jail.

A son was born Wednesday in Zeeland Community Hospital to Mr. and Mrs. Robert Hunt, route 1, Nunica, and a daughter was born Wednesday to Mr. and Mrs. Gordon Scholten, route 3, Hudsonville.

Used, not knowing where he was.

Van Wieren had been picked up by police last Friday afternoon and was returned to his home by patrolman Len Steketee at 3:30 p.m. He was not seen again by his family until four days later when he was found in the Black River swamp.

Hold Father In Shooting Of Son, 21

**Galen Sandefur Dies
Of Bullet Wounds;
Shot During Argument**

ALLEGAN — A 21-year-old Allegan man who was shot several times by his father in an argument Sunday morning, died Monday at Bronson Hospital in Kalamazoo, after emergency surgery failed to save his life.

Galen Sandefur, of Allett St., Allegan, succumbed at 7:05 a.m. He had been shot four times in the chest, side and arm, with a .45 calibre army revolver, according to Allegan County Sheriff's officers.

The victim's father, Ernest Sandefur, 43, is held in the Allegan County jail on an open charge of homicide.

Deputies said the shooting at 9:40 a.m. Sunday apparently climaxed a family quarrel which had been going on all weekend. They said an argument had flared up Saturday evening, and was resumed Sunday at the breakfast table.

The shooting began in the dining room of the home, deputies said. The elder Sandefur shot his son twice before the younger man ran out of the house.

Sandefur followed the wounded man outside, and shot at him twice more as he ran down the sidewalk, deputies said. Young Sandefur fell in front of another home almost a block from the family home.

A neighbor, William Sturges, who lives across the street from the Sandefur home, was working in his garage when he heard the shots. Sturges came to the aid of Sandefur's daughter, Ernestine, and son, Alan, in disarming Sandefur. The three took the gun from Sandefur, and Sturges took him into the Sandefur home to calm him, while police were summoned.

Allegan Police and Sheriff's officers arrived on the scene moments later. They summoned an ambulance for the still-conscious victim, who was taken first to Allegan Health Center, then rushed to Bronson Hospital in Kalamazoo. Deputies said Sandefur was talking calmly with Sturges when they arrived at the home.

The entire family lived in the home where the shooting occurred. The victim was one of seven children, deputies said.

W. H. Hungerford Dies in Saugatuck

SAUGATUCK — Warren H. Hungerford, 75, of 404 Griffith St., Saugatuck, died unexpectedly at his home Tuesday evening.

He was born in Melete, S. D., in 1887 and before his retirement was a consulting engineer in Chicago for many years. The Hungerford family spent the summers in Saugatuck for more than 40 years and traveled back and forth to Chicago. They also traveled extensively.

Mr. Hungerford was a member of the Saugatuck Lions Club. Surviving are his wife, Helen; two sons, Henry and George, both of Saugatuck and seven grandchildren.

Graveside Services Set For Van Tubbergen Baby

Elaine Joy Van Tubbergen, 11-day-old daughter of Mr. and Mrs. Gerald Van Tubbergen, route 1, Holland, died Tuesday evening at Holland Hospital.

Surviving besides the parents are four brothers, Barton, Brian, Thomas and Philip; the maternal grandparents, Mr. and Mrs. Richard Nyland; the paternal grandmother, Mrs. George Van Tubbergen, all of Holland.

Elenbaas, son of Mr. and Mrs. Harry Elenbaas of 1535 Ottawa Beach Rd., who was graduated from Hope College Monday, has been named the recipient of a \$1,900 research assistantship at Wayne State University in Detroit, according to Dr. Paul Fried, chairman of the Hope history department. Elenbaas will begin his graduate study in September and work toward a master's degree in history. He is married and lives at 118 East Ninth St.

Mrs. Lucy Bilkert Succumbs at 70

ZEELAND — Mrs. Lucy Bilkert, 70, of 333½ East Maine Ave., Zeeland, died in her home Sunday morning following several weeks illness.

She was born in Zeeland and lived in Arlington, Va., for many years, moving back to Zeeland seven months ago to live with her sister, Miss Jennie Karsten. Her husband, Peter E. Bilkert died in April, 1961. She and her husband were both government employees in Washington, D. C., until their retirement.

She was a member of the Western Presbyterian Church in Washington, D. C., until moving to Zeeland and then became a member of the Second Reformed Church.

Surviving are a sister, Miss Jennie Karsten of Zeeland; a brother, Gerrit Karsten of Santa Cruz, Calif.

Authorities Arrest Two Suspects

GRAND HAVEN — Two persons wanted in connection with several Holland area breakins surrendered meekly to Ottawa County Sheriff's officers Friday night after they were spotted about two miles from where they had eluded officers during an all-night search Thursday.

Kenneth Joe Arens, 21, of 132 West 32nd St., Holland, and a 15-year-old Holland juvenile were apprehended by deputies driving unmarked cars at 7:11 p.m. on 66th Ave. near Bauer Rd. in Blenden Township.

Sheriff's detective John Hemple said residents had reported seeing the pair in the area about 6:30 p.m. Deputing Cobb Vandenberg, driving his own car, and Hemple and deputy Wallace Blair in Hemple's car, went to the scene and picked up the suspects who offered no resistance.

The 15-year-old, being held at the Ottawa County Juvenile Detention Home, admitted taking part in four area breakins. A warrant for breaking and entering in the nighttime had been issued for Arens. He was to be questioned today.

Arens had been implicated in a May 13 breakin at the Wooden Shoe Restaurant, Factory and Tap Room at 16th St. and the US-31 bypass in Holland.

Hemple said the 15-year-old juvenile who had been hiding out with Arens nearly all week in the Blenden Township dump admitted breaking into the Paramount Rollerlounge on Lakewood Blvd. and Jim's Snack Bar on Ottawa Beach Rd. near Holland on May 19. He also said he broke into the Zeeland Livestock Sales on 88th Ave. near Zeeland on May 24, and Ridder's Grocery in Olive Center on May 26.

A total of eight area breakins has been cleared up with the two arrests Friday night and the arrest early last week of another 16-year-old rural Holland youth.

The youth arrested earlier admitted his part in two breakins at the Wooden Shoe Restaurant and Factory, a breakin at Shuiling's Service Station at River and Howard Aves. north of Holland, and at the Coffee Gallery at 72 East Eighth St. in downtown Holland.

Arens had been implicated in at least one breakin at the Wooden Shoe and was being sought for investigation of a breakin at Schip's Service Station on Chicago Dr.

In addition to these arrests, Hemple said two other persons had been arrested for aiding and abetting. Held in Ottawa County jail for aiding and abetting were Larry Ritsema, 23, of 100 East Eighth St., Holland, and the 16-year-old brother of one of the suspects.

Hemple said Ritsema had used his car to aid in the breakins at Ridder's Grocery and the Zeeland Livestock Sales. The 16-year-old was accused of bringing food to Arens and the 15-year-old juvenile while the pair was hiding out at the Blenden dump.

The 15-year-old involved in the breakins was expected to be turned over to probate authorities today. Arens was to be questioned today by Sheriff's officers and Holland police detectives. It was expected he would be arraigned in Grand Haven Municipal Court on Monday.

Arens and the 15-year-old juvenile had escaped an intensive search near 60th Ave. and Port Sheldon Rd. Thursday night in which Sheriff's deputies, aided by police from Holland, Zeeland and Hudsonville had taken part.

The pair had been spotted by officers then and fled as a warning shot was fired. They had lain in tall grass most of the night while the search went on around them. The massive hunt, which started at 9:30 p.m. Thursday, lasted until 5 a.m. Friday. It was believed that the two had hitched a ride with a motorist.

A busload of 39 people left Christ Memorial Reformed Church at 2 p.m. today to attend the Billy Graham meeting in Chicago. The world-known evangelist is conducting an evangelistic crusade in McCormick Place.

Plans to Step Down Early Next Year

**Remains in Holland;
Board of Trustees
Praises Long Service**

Hope College President Dr. Irwin J. Lubbers will retire, effective Feb. 1, 1963, after nearly 18 years in the presidency.

The college's Board of Trustees, at its annual meeting, honored Dr. Lubbers' request for retirement. He had deferred a decision to retire for the past several years, because of the board's desire that he remain to care for Hope's current expansion program.

Much of the program is now ac-

complished, and the balance has been adequately begun, the board said.

Dr. and Mrs. Lubbers will continue to reside in Holland, and he will serve as counsel for the college. He will also devote a major portion of his time to his duties as president of the North Central Association of colleges and secondary schools, to which post he was recently elected.

Ekdal Buys, chairman of the board, in commenting on Lubbers' retirement, made this statement: "During Dr. Lubbers' presidency Hope College has enjoyed tremendous advances in both the material and spiritual areas. The college looks forward to the continuation of Dr. Lubbers' progressive philosophy of education."

He listed the success of the recently completed "Looking Ahead With Hope" program as one example of Lubbers' devotion to Hope College and his philosophy of providing the best possible Christian liberal arts education and educational facilities for Hope's cosmopolitan student body.

The Board has accepted Dr. Lubbers' resignation with sincere regret," Buys continued. "We are happy, however, that he has consented to be 'on call' for counsel for an additional three years."

Dr. Lubbers has served as Hope College president since 1945. During his administration the college has grown from an enrollment of 700 students and a faculty of 42 to its present student body of 1500 and a faculty of nearly 100. In addition to numerical growth many other advances have been made under his leadership. The Vienna Summer School, Summer Science Institutes, foreign language laboratory, and many other special programs and curricular changes have been instituted.

The campus and facilities have been markedly expanded, also. In Lubbers' administration Hope has added the Music Hall, Van Zoeren Library and three dormitories — Phelps Hall, Kollen Hall, and Duff Hall. Six more housing units are currently under construction and a new Academic building for physics and mathematics instruction will soon be started. The Van Raalte Campus has been added with its playing fields for football, baseball, and track. Carnegie-Schouten Gym was completely renovated and remodeling of Gravenhans Hall is presently being done.

As an individual as well as an administrator, Dr. Lubbers has brought honors to Hope College, the Reformed Church in America, and the college community. He is president of the North Central Association of Colleges and Secondary Schools, and vice-president of the National Council of Churches. He was winner of the Freedom Foundation Award in 1953 and also served as a representative of the State of Michigan at one of the recent White House Conferences on Education.

Lubbers received his AB degree from Hope College in 1917, a Master of Arts degree from Columbia University in 1927, and a Doctor of Philosophy degree from Northwestern University in 1931. He holds honorary degrees: Doctor of Laws from Central College, Pella, Iowa; Doctor of Literature from Hope College; and Doctor of Literature from Rutgers University.

He was a lecturer in English at Voorhees College, Vellore, India from 1919 until 1922 and an instructor in English at Hope College from 1923 to 1924. He became an instructor in Education at Northwestern University in 1929 and 1930. From 1930 until 1934 he served as assistant to the president of Carroll College. Lubbers became president of Central College in Iowa in 1934, and held that post until 1945 when he became Hope's president.

Mrs. Effie Wabeke Succumbs at 81

Mrs. Effie M. Wabeke, 81, of 419 Central died unexpectedly at her home Tuesday morning.

Mrs. Wabeke was born in Holland and has lived here most of her life. She was the widow of Martin Wabeke who died in 1951. She was a member of Trinity Reformed Church and the Ladies Adult Bible Class.

Surviving are a son, Jay Wabeke of Grand Rapids and Holland; two brothers, Albert Elferdink and Herman Elferdink, both of Holland; several nieces and nephews.

Funeral services will be held Thursday at 2 p.m. at the Dykstra Funeral Chapel with the Rev. Harold Steele officiating. Burial will be in Pilgrim Home Cemetery.

Relatives and friends may meet the family at the Dykstra Chapel today from 3 to 5 and 7 to 9 p.m.

Louis Fischer

Louis Fischer Dies at 101

Louis Fischer, 101, of 43 West 17th St., died at 10:15 p.m. Wednesday, shortly after being admitted to Holland Hospital.

Mr. Fischer was born Nov. 25, 1860, in Ontonagon and was a bookkeeper in a dressmaking establishment operated by his sisters in Chicago prior to his retirement 23 years ago when he came to Holland to live.

He was a member of the Onward Concord Lodge, F.&A.M., in Chicago.

Surviving are a sister, Miss Lucy A. Fischer of Holland; a sister-in-law, Mrs. Bessie Fischer of Holland; a nephew, Warren E. Fischer of Hartford.

Festival Heat Wave Boosts Averages

A heat wave during Tulip Time in which the mercury hit 90 or better for three of the four days of the festival characterized the warmer-than-average weather for May this year.

With an average of 63.5 degrees, the reading was 6.8 degrees above average — a big spread in any case. But this is not a record. Only three years ago, the average May temperature in Holland was 64.1 or 7.4 degrees above average.

There was no heat wave during Tulip Time that year and the mercury registered 91 on only one occasion early in the month.

Last month, the mercury hit 90 on the opening day of Tulip Time May 16, 91 on May 17, 90 on May 18 and 88 on May 19. The latter was the day of the big parade of bands with large numbers of heat exhaustion victims treated in first aid stations and in Holland Hospital.

Tulips are hardy spring flowers, but they can't stand heat, and the week-long spell in which temperatures were better than 80 dictated a hastier end to the colorful blooms than was desirable.

Rainfall during May was light with only 1.56 inches recorded or 1.86 inches below normal. The maximum was 91 in May 17 and the minimum was 36 on May 7. There was no snow, consequently the official snowfall for the 1961-62 season remains at 103.7 inches.

Maximum was 91, compared with 83 in 1961, 81 in 1960, 91 in 1959 and 84 in 1958. Minimum was 36, compared with 30 in 1961, 34 in 1960, 35 in 1959 and 32 in 1958.

In 1961 a minimum of 30 was registered May 27, threatening the local crop of strawberries, early tomatoes, etc.

Average temperature was 63.5, compared with 54.3 in 1961, 57.1 in 1960, 64.1 in 1959 and 58.6 in 1958. Average maximum was 74.4, compared with 66 in 1961, 68 in 1960, 75.7 in 1959 and 71.1 in 1958. Average minimum was 52.5, compared with 42.6 in 1961, 46.1 in 1960, 52.4 in 1959 and 46 in 1958.

GRADUATE — Miss Patricia Moore, granddaughter of Mr. and Mrs. Roy M. Heasley of Maple Ave., is one of 63 graduates of Wayland Academy in Beaver Dam, Wis., who took part in Wayland's 107th Commencement Saturday. Miss Moore received a Gold Journalism Key in recognition of her work as editor in chief of "The Pillars," the school's yearbook, at the All-Awards Dinner held on May 28. She also had the leading role in "The Pillars," the school's presentation of Thornton Wilder's "Our Town" recently.

Water Sale Approved For Zeeland

**Contract Runs 30
Years; Zeeland Pays
Pipe, Storage Costs**

City Council Wednesday night unanimously approved an agreement whereby the city of Holland will sell water to the city of Zeeland on a 30-year contract.

Under the agreement, Zeeland will finance all costs of transmission lines and water storage, and would continue its own billing program. The agreement calls for obtaining water only at offpeak periods, roughly 6 p.m. to 8 a.m. Cost to Zeeland will be 10 cents per 1,000 gallons.

Plans call for constructing a transmission line from the terminus of the existing 36-inch water main at River and Howard Aves. The entire Zeeland program will be financed through revenue bonds.

Holland's pumping capacity is 14,000,000 gallons a day. The maximum usage on a hot summer day to date has been just over 7.7 million gallons per day.

Randall C. Bosch, president of the Board of Public Works, told Council the board had studied the proposal for many months, working with the local administration, Zeeland officials and with representatives of Black and Veatch, consulting engineers who had designed the Holland water system and who had drafted the Zeeland proposal.

Bosch pointed out that sale of water to Zeeland will not accelerate any construction for Holland's own needs, but he envisioned considerable expansion in the Holland area to serve the needs of the city and encourage industrial development.

He envisioned a pipeline across Lake Macatawa to serve the south shore residents, and said already plans were being drafted for a large reservoir of 3 to 5 million gallons which would provide the necessary pressure for water service to Holland Heights area.

The agreement calls for providing maximum quantities of 2.4 million gallons a day to Zeeland until June 30, 1971; 3.1 million gallons until 1981, and 3.8 million gallons a day until 1993. Zeeland water service is expected to be in operation Jan. 1, 1964.

Cost of water production in Holland is approximately 5 cents per 1,000 gallons.

Under the agreement, Holland does not guarantee continuous service during breakdowns or other emergencies, and it is expected storage facilities in Zeeland will be sufficient to withstand most emergencies. Should an emergency arise in which supplies would be insufficient to both Holland and Zeeland, the available supplies will be pro-rated.

Zeeland's water service area coincides with the city limits except to those outside customers currently being served. This service area may be extended as city boundaries expand except for a limitation on the west border. The agreement provides that water service shall not be provided west of a north-south line running roughly between Holland and Zeeland. This arrangement protects the orderly expansion of both cities.

On recommendation of City Attorney James E. Townsend, Council also passed a resolution amending the water revenue bond ordinance providing rates for the sale of water to Zeeland.

Four Honorary Degrees Conferred by College

Four honorary degrees were conferred at the 97th annual commencement of Hope College Monday morning in Dimment Memorial Chapel.

Doctor of laws degrees were conferred upon Titus W. Hager, president of the Hager Lumber Co. of Grand Rapids and long-time member of the Hope College board of trustees, and to Dr. Norman Vincent Peale, minister of Marble Collegiate Church of New York City who delivered the commencement address.

Others receiving degrees were the Rev. J. Dean Dykstra, pastor of First Reformed Church of Schenectady, N.Y., and son of Dr. John A. Dykstra of Grand Rapids who up to last year headed the Hope College trustees for many years, and to Mrs. Ruth Stafford Peale, wife of Dr. Peale, Rev. Dykstra received a doctor of divinity degree and Mrs. Peale a doctor of literature degree. Mrs. Peale is co-editor of Guideposts and has been active in women's work both in the church and in literary circles.

A total of 208 seniors received bachelor of arts degrees.

"We Are Equal to the Future" was the subject of Dr. Peale's commencement address.

"The future is promising, but the future will be full of problems. Whether good or bad, problems constitute a sign of life and there is no joy or satisfaction in life without solving great problems.

"Problems make people strong; they make intellectual and spiritual muscle, and we need to develop a new breed of strong, rugged people who have convictions and who realize that problems are something for their development," Dr. Peale said.

He cited pressing world problems such as disarmament and social problems but pointed to the more subtle problem such as the tremendous rise of unbelievers, and how the college and the church are under attack by people who would like to eliminate God from education. He pointed to a state of moral decay such as is evidenced by stories in big newspapers on Hollywood personalities, divorce, crime and the like.

He likened this state of moral decay to the ancient parthenon in Athens which must be washed down once a year to halt further decay caused by atmospheric conditions. In a strong climax, he urged graduates to join in giving the world a "bath" of the religion of Christ.

Dr. I. J. Lubbers, college president, presided at the commencement and Prof. Roger J. Rietberg served as organist. Dr. Henry Voogd gave the invocation. David A. Wilkman sang a bass solo, "O God Have Mercy." Mendelssohn, and Marilyn Vander Wilt, pianist, played "Ballade in G Minor," Chopin.

Graduates and their parents were guests of Dr. and Mrs. Lubbers at an outdoor breakfast on campus. A sudden but brief shower at 7:45 a.m. put the breakfast activities indoors.

Commencement highlights included presentation of awards. Norman Kanskiel of South Holland, Ill., received the Pieta prize for the senior who gives promise of greatest success in the Christian ministry.

Merle L. Dykema of Holland received the Patterson Memorial prize in biology. The A. T. Godfrey prize in chemistry went to Barbara Ann Mortensen of Ridge Park, N. J., and Esther Su of Hong Kong.

The George Birkhoff English prize went to Janet Rietveld of Chicago Heights, Ill.; the Egbert Winter education prize for men to David L. Weerstra of Twin Lakes, Mich., and for women to Nancy Jean Sonneveldt of Grand Rapids.

The Ray De Young history prize went to Elvira Kajdy of Chicago and the Douwe B. Yntema prize in physics went to Roter Bredeweg of Dorr, and the Delta Phi Alpha German prize to Nancy Jean Sonneveldt. The Southland medal for the senior woman who maintained the highest overall standard of scholarship, character and usefulness during four years at college went to Mary Whitlock of Chicago.

The Dr. Otto Vander Velde all-campus award was shared by Ekdal Buys of Grand Rapids and Sherwood Vander Woude of Randolph, Wis. The Christian Herald Award for the finest example of Christian leadership and scholarship went to Norman Kanskiel of South Holland, Ill.

Burglars Enter Service Station

Thieves stole \$143.95 in a break-in early Friday at Meengs Standard Service at 16th St. and River Ave.

Holland police detectives said the burglars broke out a window on the north side of the building with a shovel and reached inside to unlatch the window.

The money was taken from a steel cabinet and from a cash register. The break-in was discovered by Boyd De Boer, part-owner of the service station, at 6:30 a.m. Detectives said the theft probably occurred sometime after midnight.

The station had been closed at 9:45 p.m. Thursday. A restaurant adjacent to the service station was open until midnight. Detectives said nothing besides the money appeared to have been taken.

Thieves Enter Gas Stations

A long chain of break-ins in the Holland area continued last weekend as two more service stations reported having been entered early Sunday.

The break-ins were reported at the Wooden Shoe Texaco Service at 16th St. and the US-31 bypass and at Red's Standard Service at M-21 and 120th Ave.

Holland police detectives said the thieves took about \$40 from a soft drink vending machine and also stole an automobile battery from the Wooden Shoe station. They had entered the station through a window.

Ottawa County deputies said burglars took \$15 worth of pennies from a desk drawer and about \$15 from a cigarette vending machine at Red's Standard Service. The thieves entered through a window which they broke out on the west side of the building.

Both break-ins were reported Sunday morning. The Wooden Shoe break-in was reported at 7:10 a.m. and the second at 10:30 a.m.

Lezman-Vredevel Vows Spoken

Mr. and Mrs. Ronald Lee Lezman

Making their home on route 1 in Hamilton are Mr. and Mrs. Ronald Lee Lezman who were wed in a double ring ceremony on Friday, May 4, in the North Street Christian Reformed Church of Zeeland.

The party was given by the members of the Music Department and their wives, Dr. and Mrs. Robert W. Cavanaugh, Dr. and Mrs. Morrette Rider, Mr. and Mrs. Roger Rietberg, Miss Jantina Holleman, Anthony Kooiker, Mr. and Mrs. Albert Schaberg, and Mr. and Mrs. Harold Karsten.

The table was decorated with flowers and pink candles in two silver candelabra which were presented to the Music Department by Mrs. Baughman as a retirement gift. Placecards were made of staff paper and included lists of music from works performed by each of the guests present. The guests had to find their places by identifying the particular selection of music found on the placecard.

The members of the staff presented Mrs. Baughman with a beautiful brass clock. They also presented a gift to the Schabergs who will be leaving the Hope faculty this spring.

Mrs. Baughman began teaching voice at Hope in 1957. Prior to that time she was a professional singer and appeared on many network radio broadcasts. She will continue to reside in Holland and teach privately.

Three Retiring Teachers Feted At Luncheon

Mrs. Norma Hark Baughman

Mrs. Peter Prins

Oscar Thompson

Three retiring Hope College faculty members were honored at a luncheon of the board of trustees and the faculty held this afternoon in the terrace dining room of Durfee Hall.

Retiring are Mrs. Norma Hark Baughman, assistant professor of music; Mrs. Peter Prins, chairman of the French department; Oscar Thompson, chairman of the biology department.

Tributes were made to the retiring by fellow faculty member Dr. Clarence De Graaf, chairman of the English department and by Henry Steffens, speaking on behalf of the board of trustees.

The tributes pointed out their long and faithful service to the college. Mr. Thompson taught at Hope for 36 years; Mrs. Prins, Hope graduate of 1917, for 25 years; Mrs. Baughman for 15½ years.

Each was presented with a gift from the faculty.

Other persons leaving the Hope faculty this year include Dr. Alice Elliott, who has accepted a position at Central Missouri State College; Albert Schaberg, who will be going to the University of Kentucky; Dr. Simon De Vries, who will teach at the Methodist Theological Seminary; John Hilbert, who is returning to school for additional graduate work.

Chairman for today's luncheon was Miss Emma Reverts, dean of women.

Holland Elks Voted Best
Holland Elks 1515 received honors at the State Convention, as they were named the best lodge in the state.

The state convention was held last weekend in Kalamazoo. Kalamazoo Elks 50 were hosts for the convention. They recently opened their new \$1 million temple with an 18-hole golf course, swimming pool and bowling alley.

There are seven districts in the state and 70 Elks lodges throughout the state. Winning district honors as best lodges were Holland, Southwest District; Grand Haven, West Central; Royal Oak, South-east; Adrian, South Central; Flint, East Central; Ishpeming, North-east; and Hancock, Northwest.

The district trophies were presented at the Saturday afternoon awards meeting. Last year's Southwest district vice president, Robert J. Lacey of Niles 1322 made the presentation to Paul C. Fabiano, last year's Exalted Ruler of the Holland Lodge.

The state winner was announced at the President's banquet held Saturday night at the Western Michigan University Student Center Building.

Replacing Fritz Coppens as state president this year is Donald Frisinger of Kalamazoo and replacing Lacey as district vice-president for the coming year is Harold Hale, also of Kalamazoo. Exalted Ruler of the Holland Elks this year is Kenneth Stokes.

Next year's state convention was awarded to Pontiac.

Mrs. David Lee Helder

Miss Sandra Jean Kroeze became Mrs. David Lee Helder Tuesday evening in the Central Avenue Christian Reformed Church.

The double ring ceremony was performed at 7:15 o'clock by Dr. Jacob T. Hoogstra in a setting of palms, two circular brass candelabras and two large bouquets of mixed white and blue flowers.

White bows marking pews completed sanctuary decorations.

John A. Hoogstra, organist, Eugent Westra, soloist, and Miss Norma Houtman, violinist, furnished music for the occasion. Numbers include "Breathe on Us, Breath of God," Westra; "Romance," Miss Houtman; "O Lord Most Holy," Miss Houtman and Westra; "Song of Ruth," Westra.

Mr. and Mrs. Benjamin Kroeze of 236 East 13th St. are the parents of the bride. The groom is the son of Mr. and Mrs. Andrew Helder of 101 East 22nd St.

Attending the couple were Mrs. Bruce Altman, matron of honor; Miss Marcia Helder, sister of the groom, and Mrs. Lee De Meester, bridesmaids; Lee De Meester, best man; Douglas Hargierink and Jerry Helder, brother of the groom, ushers.

The bride, who approached the altar escorted by her father, wore a princess gown of silk mist taffeta designed with three-quarter length sleeves, a scoop neckline and a bodice appliqued with seed pearl and crystal beaded Alencon lace. The bouffant skirt formed a chapel-length train. Her veil, released from a crown of seed pearl, and crystal beaded Alencon lace, was waist length. The bridal bouquet was made up of a single, pale blue cabbage rose.

The groom attendant was attired in a street-length gown of powder blue taffeta styled with a fitted bodice and scoop neckline, complemented by three-quarter length sleeves and a bell skirt with small bow trim. She wore a circular headpiece releasing a shoulder-length veil of powder blue. She carried a long stem white rose.

The bridesmaids were identically attired.

The mother of the bride chose for the occasion a light blue silk organza sheath with matching accessories while the groom's mother wore a pure silk beige sheath dress and jacket with bone accessories. Each had a corsage of white roses.

The church basement was the scene of a buffet supper for 125 guests immediately following the ceremony.

Susan and Mark Helder, brother and sister of the groom, passed the guest book while Mr. and Mrs. Karl Overbeek presided at the punch bowl. Arranging the gifts were Miss Shirley Bakker and Miss Judy Vander Ploeg.

For the wedding trip to Upper Michigan, the new Mrs. Helder wore a pink and white striped dress with white accessories.

The bride is a graduate of Holland High School and Calvin College and is employed as a teacher in the Holland Christian School system. Mr. Helder, who was graduated from Holland Christian High School, will graduate from Calvin College in June.

The newlyweds are making their home at 16½ East 18th St.

Pre-nuptial showers honoring the bride were given by Mrs. Russell Wolrding, Mrs. Lou Altema, the children of South Olive Christian School and Mrs. Adrian De Pree.

The groom's parents entertained at a rehearsal dinner in the Fifth Wheel restaurant.

Surprise Party Given For Raymond Holwerda

Hope Announces Ban on Drinking
Hope College students shall refrain from the use of alcoholic beverages or be subject to college disciplinary action or dismissal, the Hope College student newspaper, Anchor, has reported.

The newspaper states the policy which will appear in the new Hope handbook will read, "All Hope College students shall refrain from the use of alcoholic beverages. Any students who does not refrain will be subject to college disciplinary action to the possible extent of dismissal."

Administrative committees have prepared the statement on the college's policy in view of the evident need for clarification of Hope's policy on student drinking, the paper reports.

Dr. James Harvey, dean of the Hope students, was quoted as saying "Students over 21 who have a Christian orientation ought to be willing to refrain, for the sake of the common good. This is not too much to ask in view of that good."

STATE BUDGET

A report from Lansing indicates that the appropriation bills add up to \$500 million, reported to be more than \$28.4 million under the \$528.4 million that was recommended by Governor Swainson.

Higher education came in for an increase as recommended by committees for a total of \$115,944,054. The increase amounts to some \$6.2 million over the current fiscal year figure of \$109,634,306.

State Sen. Elmer Porter is reported to have said that the increases were tied to tuition fee increases. Lump sums were given to the schools with the stipulation that they figure out their budgets with the amounts.

It will be interesting to see just what happens Wednesday when any further vote can be taken on budget bills.

We must not only learn to live within our budgets, but we are going to need to reduce some of the waste in government, with reports indicating that we are somewhat going to need to find some tax money to reduce the deficit that no one seems to have the correct figure for.

The people want to know just how we stand. There seems to be money in the coffers to pay the bills, but here again there is always the many laws, rules and regulations that we have built up controlling how we can operate.

There seems to be any number of people today who are interested in really doing something about operating within our budgets. The "pay as we go" principle more and more could be placed in force all along the line. If we do not have the money then we should look around and see just where we can reduce the duplication and waste. This sounds easy but — and it is a BIG but.

Taxes make dry reading. There are however more and more of them looming all around us. For the reason that we the people seem to think that we can continue to have all of the many things we want, all we need to do is run to the government.

Borculo

All women of the Church are invited to attend the Knollcrest Festival on Thursday. Cars will leave the church at 9:30 a.m.

Christ Speaks to the Churches
Revelation 1:17c-20; 3:14-22
By C. P. Dame

On the day of Pentecost we will study about the Christ who sent the Holy Spirit upon the Church after His resurrection. There are two words in the lesson topic which belong together, the word Christ, and the word Churches.

I. The risen Christ speaks with authority to the churches. The Lord Jesus is the Head of the Church. Jesus never hesitated to make claims for Himself. Think of the claims Jesus made in the words, "I am the first and the last"; "I am He that liveth, and was dead"; "and have the keys of hell and death." No mere man would make such claims. The word "keys" proclaims the power and the authority of Jesus. Death nor hell has any power over Jesus.

The Lord told John, the author of the Book of Revelation, to write. John sent letters to the seven churches of Asia Minor. The churches are represented by lamp-sticks, or lampstands. It is the function of a lamp to give light. It is the duty of a church to present the gospel and give light to mankind. John portrays Christ standing in the midst of the churches.

II. Christ knows the condition of every church. This was true in past times and it is true today. In the lesson text we have a picture, or rather a description, of the worst church—that which was located in Laodicea in Asia Minor. The city was noted for its wealth. The church in that city was rich in material things but poor spiritually. The Lord was able to judge that church very well.

We misjudge people and we may misjudge churches. The big failure of that church was its spiritual indifference. It was neither hot nor cold.

In times past it was not that way. Once the church had been fervent but now it was lukewarm. The Lord says, "I would thou wert cold or hot." It is better to be frozen than lukewarm, better to be boiling than tepid. Ice is palatable and a cup of hot water can easily drink but lukewarm water is nauseating. "I will spew thee out of my mouth."

The church was content with itself—it thought it needed nothing but its needs were many. Great was the contrast between the opinion of Jesus concerning that church and the opinion the church had about itself.

III. Christ has a remedy for the lukewarm church. The Lord offered the true riches to the needy church—the riches of grace. The Lord loved that weak church and therefore He called upon that church to be zealous and repent. The greatest need of the Christian Church of our time is to repent. The Lord Jesus was expelled from that church. The Lord knocked, hoping, asking to be admitted again. Is Christ excluded from any modern churches?

It seems as if this is true of some. The Lord is waiting for one man to open the door so that He may come in again and rule. And this is also a fact—Jesus knocks at the doors of human hearts. Has He been admitted in your heart?

Name Van Til To State Park Interim Group

LANSING — State Rep. Riemer Van Til of Holland Wednesday was named chairman of the special interim committee which will study state park operations and utilization of public lands between the 1962-63 sessions of the Michigan legislature.

House Speaker Don R. Pears made the appointment. The five-member committee will study the use, management, and operations of the present state park system; the possibility of increasing the system, determining methods of financing additional facilities, study present lease arrangements and commercial operations in Michigan parks and the parks of other states and survey methods designed to encourage establishment of private parks for public use.

The committee will report its findings and recommendations to the 1963 session of the Legislature. Members of the committee will be Reps. Russell Strange, Edson V. Root, William R. Copeland and Joseph S. Mack.

With the construction of hundreds of miles of new highways and in the increase of leisure time of Michigan citizens, there is now and will be in the next 10 years a tremendous pressure for expansion of public recreational facilities," Van Til said.

"It is usually assumed that the need for expansion must be met with increased tax revenues. This is not true. Expanded facilities and greater utilization of the present parks system can be effected in part by better management and by the multiple use of the present park facilities and other state owned lands," Van Til said.

He reported that additional public recreational and vacation areas must be made available to meet the growing demands of Michigan citizens and the state's tourist guest. Van Til said that it is his hope that the interim committee can provide some realistic, workable recommendations designed to increase Michigan's recreational facilities at a minimum cost to the taxpayer.

Appointees Named for City Board

Several appointments to city boards were made at a regular meeting of City Council Wednesday night.

Appointed by Mayor Nelson Bosman with Council approval were William J. Brouwer to the Hospital Board for a five-year term; Mrs. Virginia Luidens to the Library Board for a five-year term; Frank Harbin Jr. to the panel of space heating examiners for a four-year term, and Robert Strabbing, Henry Vander Plow and Vern Schipper to the Traffic and Safety Commission for three-year terms. All were reappointed.

Council appointments to the Board of Appeals were Roy Heasley and Lou Hallacy for three-year terms. Heasley was reappointed and Hallacy succeeds Russel Vande Poel.

Three recommendations of the Traffic and Safety Commission were approved and a fourth was referred back for further study.

One recommendation eliminates parking in front of the Zephyr gas station on North River Ave. and allows parking on the west side of North River Ave. for a distance of three car lengths south of Third St.

Parking also is eliminated on the north side of 26th St. between Michigan and Maple Aves.

Referred back for further study was the recommendation controlling parking in the vicinity of Prospect Park Christian Reformed Church. The recommendation had eliminated parking on the north side of 22nd St. between Central and Michigan Aves. but some Councilmen felt parking should not be eliminated for the entire distance.

Approved was a recommendation for a crosswalk at Lakeview School on 32nd St. between Lugers Rd. and Ruth Ave., providing for a safety barrier at the opening in the fence and a flasher to be controlled by a teacher or custodian at the crossing. Signs will be placed at the crest of each hill on either side of the school on 32nd St. warning motorists of the crossing ahead. The flasher and signs must conform to the state code and be approved by the police chief.

Petitions requesting a sanitary sewer in Crescent Dr. from 595 Crescent Dr. to Thomas St., and from Crescent Dr. to South Shore Dr. were referred to the city manager for report. Also referred to the city manager was a petition requesting sanitary sewer in 34th St. from Central to Pine Aves.

Council rejected a proposed contract with Seidman and Seidman for this year's post audit. Rate quoted this year was \$5,150 plus \$375 expenses, compared with last year's figure of \$4,000 plus \$285. The proposal had been tabled some weeks ago.

Oaths of office were filed for Gordon H. Cunningham as city attorney and Adrian J. Klaasen as member of the Board of Public Works.

A communication from Robert G. Mason, mediator of the State Labor Mediation Board, was presented advising the board had received petitions from the building service employees' international union, AFL-CIO Joint Council No. 30, which purport to contain the signatures of a majority of the hourly rated non-supervisory employees of the Board of Public Works, requesting the board to intervene in a dispute between council regarding hours, wages and working conditions. It was requested that a list of employees of the BPW be submitted plus information on meetings held. The city manager was instructed to provide the information.

Council approved a recommendation of the Election Commission to purchase temporary railings at a cost of \$227.50 for use in the election precincts of the city to comply with the Michigan election law.

Council acknowledged gift of a Michigan state flag and stand from the Junior Chamber of Commerce in connection with Michigan Week. The flag, valued at \$90 was accepted with thanks.

A liability claim from Mrs. Marion Gutknecht, 511 Lincoln Ave., was referred to the city attorney and insurance carrier. City Clerk D. W. Schipper reported on result of a vote conducted among employees of the police and fire departments on permissive legislation on social security with the result that two employees voted in favor of the issue and 56 against. This information will be relayed to the special committee of the Municipal Employees Retirement System which has been studying whether to promote such legislation.

A city manager report accompanied by warranty deed prepared by the city attorney and signed by Harry and Cora Reimink conveys to the city 147.4 feet of the west end of 33rd St. if extended between College and Central Aves. The deed was accepted and the city clerk was directed to record it.

In connection with opening this street, Council authorized condemnation proceedings to obtain a small parcel in the right of way measuring 30 by 66 feet owned by the heirs of Henry Van Ark. This matter was explained by City Attorney James E. Townsend.

All Councilmen were present at the meeting which adjourned at 10 p.m., the longest meeting in several months. Mayor Bosman presided and the Rev. William Burd of First Presbyterian Church gave the invocation.

Tulip Time has come and gone, but it is likely to be remembered for a long time.

Never before in the 33-year-old history did Holland have a prolonged heat wave during Tulip Time. Many people remember a few hot Saturdays when some visiting bandmen were affected by the heat, but it was nothing like the last day this year when scores were treated in four first aid stations set up by the Red Cross and 70 were taken to Holland Hospital. Not all of them were heat exhaustion victims, but most of them were.

According to weather statistics of the U.S. Department of Commerce, Holland averages 11 days per summer when temperatures hit 90 or more. With such readings on three of the four days of the Tulip Time festival, Holland is off to a brisk start this year.

Just for the record, the highest temperature recorded in Holland was 105 degrees on July 4, 1921, and the lowest was 24 degrees on Feb. 3, 1912. The average snow fall is 60.5 inches during the season, but Holland is likely to remember the 1961-62 winter well with its 103.7 inches.

An unexpected heat wave during a festival changes many patterns which have been taken for granted other years.

Perhaps most welcome were the fountains attached to fire hydrants during the festival.

Personnel of the Department of Environmental Health kept a firm hand on transient food handlers. This paid off. Of all the cases taken to the hospital, there was no hint of food poisoning.

Some public buildings remained open extra hours for rest room facilities. Besides keeping rest rooms open in Hope Church, the Mr. and Mrs. Club also placed picnic tables on the lawns for the public. In general, visitors disliked going indoors for festival functions, preferring the outdoor events such as parades and klonpen dancing. Since cold weather and rain had been common in previous years, more programs were scheduled inside.

It's been a while since this column appeared, and by now some of our newcomers are well established citizens.

Junior High Girls Learn Gymnastics

Girls gymnastics was introduced in the E. E. Fell Junior High School this year and was climaxed with five of the girls performing in competition at Lansing Everett High School.

Miss Maxine MacInnis, girls' physical education instructor, taught the girls. Miss MacInnis, a Central Michigan University graduate, is leaving Holland for graduate study at Michigan State next fall.

The girls competed in free exercise, balance beam and side horse vault in the Lansing Everett competition against senior high school girls.

In free exercise, the girls have a one minute and a half to two minute routine in a combination of ballet and tumbling movements. The girls are graded on continuity as to how well the act fitted together, the difficulty of the exercises and their form in the exercise.

Also on the balance beam, the girls perform one minute and a half to two minutes and combine balancing movements and controlled movements.

The movements range from walking on the beam to handstands and cartwheels. The side-horse vault is 3'6" in the air and the girls don't use the handles.

They use a beat board as a springboard and perform straddle and handspinning stunts.

Besides the Lansing event, the youngsters also competed in a tournament in Grand Haven. Miss Barbara Mac Kenzie, Joanna Ponzo, Gail Rutgers and Linda Tobias competed in free exercise while Miss Ponzo and Rutgers worked on the balance beam and Miss Rutgers and Miss Barbara Van Tatenhove competed in side-horse vault.

Shop Center Studied by Commission

Discussion on locating a shopping center in Maplewood area on a 15-acre site in the vicinity of 40th St. and Central Ave. occupied the Holland Planning Commission for a considerable time at a regular meeting Tuesday afternoon in City Hall.

Robert Miller, attorney for the syndicate considering the shopping area, explained proposed plans. Most discussion centered about rezoning and Chairman Willard C. Wichers was appointed to consult with the city attorney and Atty. Miller on legality of conditional rezoning. When this issue is resolved, a special meeting of the Planning Commission will be called.

No residents of the area were present to object to the shopping center. The commission tentatively approved the Wanrooy plat at 112th Ave. and Woodbridge. A plat of John Keuning located at 32nd St. and the extreme east limits of the city was referred to the chairman and city attorney on the question of frontage of lots. This plat will be discussed further at the special meeting.

Also presented was a plat plan of the old Marlin Acres plat on East Eighth St. at Cypress Ave. This will be discussed further at the next regular meeting. A request from William De Roo for a zoning change from A-0 to

A-1 for a plat on South Washington Ave. south of 40th St. was rejected as not conforming to existing zoning.

The commission approved a Michigan Highway Department plan on local trunklines which incorporated a few minor amendments to the basic 1960 plan which earlier was studied in detail. This plan refers mainly to the new Interstate - 96 route lying south of Holland and how it affects the local traffic patterns. The current five-year plan of the state department incorporates one-way streets in Holland at a later date.

Attending Tuesday's meeting which lasted more than three hours were Chairman Wichers, Mayor Nelson Bosman, John Keuning, Clarence Klaasen, Richard Smith Jr., Henry Weyenberg, Guy E. Bell, and for the staff City Manager Herb Holt, William Layman, Gordon Streur and Terry Hofmeyer. Absent were Ward Hansen and W. A. Butler.

Sentenced for Larceny

ALLEGAN—Kenneth Barton, 27, and Dale Lowry, 47, both of Battle Creek, pleaded guilty to simple larceny before Allegan Justice Otto Schmitz Monday afternoon. They were sentenced to 30 days in the county jail, plus fine and costs of \$30 each, with an additional 20 days if fine and costs are not paid. Allegan County deputies said the pair stole \$40 worth of copper from Hamilton Motor Repair Co. in Hamilton, June 3.

They also have their names inscribed on a large trophy which remains in the school.

725 Attend West Ottawa Baccalaureate Service

West Ottawa High School held its first baccalaureate service Sunday afternoon in the school's cafeteria with more than 725 parents, friends and guests in attendance.

The 108 graduates started their high school career in 1958 when 13 districts were consolidated into the West Ottawa District. During the first three years the high school students occupied the Beechwood School and last fall moved into the new school.

Speaker for the occasion was the Rev. Eugene Osterhaven of Western Theological Seminary who spoke on "When It's Great to Be Alive." What Americans need today is a deep faith in God such as the founding fathers had. Rev. Osterhaven said in a quote of material given by our Air Force Chiefs. He said that 100 million Americans are spiritually adrift, not knowing what they are doing, why they are here and where they are going, posing a real threat to American life. The speaker emphasized that a divine purpose in life is the basic need to attain a successful life. Culture is weakened because of life's unbelief in the ultimate purpose of life, and when persons live without God not only is the culture weakened but a spirit of pessimism sets in.

Asking the question to the class "What are you interested in getting out of life?" the speaker suggested several answers such as money, fame, fine homes, becoming important in the community. The only value really worth while, he said, is having an adequate spiritual purpose run throughout each life.

When one has powers necessary to live a truly great life, it is also necessary to live to the glory of God and if this is learned, then only is it "truly great to be alive," the speaker concluded.

Members of the graduating class, the girls wearing white caps and gowns and the boys in black caps and gowns, marched single file down a middle aisle of the cafeteria to the stage, during the processional hymn, "Trumpet Voluntary" played by John Bos, organist.

Invocation and devotions were conducted by the Rev. Elton Van Pernis of Beechwood Reformed Church, and the anthem "Thanks Be to Thee," was sung by the West Ottawa High School choir, directed by Mrs. Sally Rucker.

Following the benediction the audience remained standing while the class marched out to the recessional, "Onward Christian Soldiers," played by Mr. Bos.

Commencement exercises will be held Wednesday at 8 p.m. in the school cafeteria.

Leading Pros To Compete June 24-25

SAUGATUCK — A series of "firsts" will be recorded later this month at the Hamilton Lake Golf and Country Club when the Michigan Professional Golfers Association tournament is held June 24-25.

It will mark the first time the state PGA tourney has been held this far west in Western Michigan, it also is the first time that the tournament will be staged at the Hamilton Lake course and the initial time the event has been played on a nine-hole course.

Bill Hamilton, a veteran of 14 years of professional golf including two seasons at Hamilton Lake, is host pro and is masterminding the tourney with an assist from his assistant pro, Charley Feeley, in his first year in the post.

Hamilton laid the groundwork with the Michigan PGA some time ago and guaranteed the state PGA a \$3,000 purse from the 36-hole tourney. This includes a first place purse of between \$700 and \$1,000, Hamilton reported.

He is getting the \$3,000 from entry fees, his personal guarantee and through program advertising. He lauded Holland and Saugatuck merchants and businessmen for their support.

A special tourney feature will be the \$1,000 hole-in-one contest. The money will be posted by two private firms and will be played on the No. 9 hole. The will be shortened to about 150 yards for the contest.

This would place the tee off spot for the contest near the clubhouse. This is the first time a hole-in-one contest is being included as part of the tourney play.

Hamilton said he got the Michigan PGA tourney this year because he was assured by PGA officials that he would receive a "bigger tournament next year."

"This will be a four-day, 72-hole event," Hamilton said.

Between 30 and 100 Michigan pros will compete in the event, including John Barnum of Blytheville, who has won the tourney for the past three years.

Walt Burkemo, Franklin Hills pro and ex-national PGA king; Ron LaParl, Battle Creek Country Club pro and Horton Smith, two-time Masters champion, are expected to enter the tourney.

Hal Whittington of Detroit, chairman of the state PGA tournament committee and Don Soper, president of the Michigan PGA, will also be on hand.

Walter Hagen of Traverse City, one of the world's all-time golfers and legendary sportsman of the 20's, will attend the event as an honorary official. Hagen won the state PGA several times.

Only Class A pros may participate in the tourney. A Class A pro is defined as a pro who has been a pro five years at his own club or an assistant for five years under a Class A member or a golfer who has participated in 25 national tournaments.

The course is being readied for the tourney and will be 6,700 yards long. The nine new tees have been sodded, which gives the course 18 tees, and will be played for the first time in the tourney. The new tees will be opened to the public following the tourney, Hamilton said.

Hamilton reported a complete sprinkling system waters the greens and fairways, including the new tees. The fairways will be cut "real short" for the tourney. Seven dunks in Hamilton Lake add to the course's color.

The host pro has completed five winters on the pro tour. He holds the Hamilton Lake course record of 63 (two nine-hole rounds) on the par 36 course.

Hamilton has been a pro in Colorado, Chicago and Long Island, N. Y., and at Blytheville, South Haven and Crystal Lake in Frankfort in Michigan. Feeley was former assistant pro at Gull Lake and teacher at South Haven.

Gallery reservations may be made at the Holland Chamber of Commerce in the Hotel Warm Friend.

Charley Feeley, assistant pro, watches the shot. The picturesque nine-hole course will be the scene

of the state PGA tourney. It marks the first time the event has been held on the Saugatuck course or on a nine-hole course. Nine new tees have been added and the flag notes the two numbers (5 and 14) of the hole. Hamilton is using a putter he designed himself and is manufactured on the West Coast. (Sentinel photo)

FRIENDS NOW — Col. Mataichiro Kondo (left) of the Japanese Ground Self Defense Force and William Sikkel of Holland, a Lt. Col. in the National Guard, review a bit of history which brought the two men close together about 20 years ago, under less amiable conditions than now, in the South

Pacific. The two became fast friends at the U.S. Command Staff College at Fort Leavenworth this year, and learned that they had fought against each other in New Guinea in 1942. Here they are looking at a picture history of the war in New Guinea. Col. Kondo was a visitor this week at Sikkel's home.

Former Enemies Meet in Holland

Two men, bitter enemies 20 years ago, became close friends when their paths crossed this spring.

Col. Mataichiro Kondo of the Japanese Ground Self Defense Force, a resident of Tokyo, and William Sikkel of Holland, Mich., a Lt. Col. in the National Guard, met this spring at the U.S. Command Staff College at Ft. Leavenworth, Kan.

They became good friends, and Col. Kondo spent a day this week at the home of Sikkel, meeting Sikkel's family and friends.

The two men learned, shortly after they met, that their paths had crossed indirectly, under less amiable circumstances some 20 years ago in New Guinea.

Col. Kondo, in 1942 a major with the Japanese Army Fourth Air Force, was engaged in mortal combat with the 32nd Division in New Guinea, of which the then Lt. Sikkel was a part.

In the comfort of Sikkel's home, the two men viewed a picture history of the New Guinea fighting. They named names and places familiar to both.

The Japanese controlled New Guinea in Nov. 1942, when Sikkel arrived with the 32nd Division to participate in the famed Buna Campaign. Col. Kondo's job in 1942 was aerial reconnaissance against the 32nd Division.

"We did not meet then," the colonel said. "I was always moving backwards." Other places in the South Pacific he named, which are familiar to many Americans, were Rabaul, New Britain, New Guinea, and the Philippines.

Col. Kondo came to America for the first time last December. He and Sikkel were at the Staff College from January to May. The two men were assigned to the same unit at the school, and it was there they met and learned how close they had come to meeting during World War II.

Col. Kondo, who was laboring under a language handicap at the military school, commended Sikkel for his pains in helping him with his problem.

Col. Kondo is still a soldier. Although Japan technically has no military forces, as such, he has been an officer in the Ground Self Defense Force for the last 10 years. He was in the Japanese Army before and during World War II for eight years.

Since graduation from the Staff College, Col. Kondo has visited Ft. Knox, Ky., and Ft. Bragg, N.C. He is currently touring northern United States, stayed in Holland with the Sikkel family briefly this week, and will leave for Japan about the middle of this month.

Col. Kondo is married and lives with his wife and three daughters in Tokyo.

Allegan Man Dies In Boat Mishap

ALLEGAN — An elderly Allegan man drowned Friday afternoon in a boating mishap on Miner Lake, three miles northeast of Allegan.

Burr R. Feek, 71, of 477 Delano St., Allegan, was pitched from his boat when the boat surged forward and toppled into about 12 feet of water. The accident occurred at 2:30 p.m.

Allegan county deputies and Conservation officers dragged the lake and recovered Feek's body at about 3:30 p.m. The mishap occurred about 100 yards from shore.

Deputies said Feek had been fishing with his wife and had started his outboard motor. The boat took off with a lurch, throwing Feek into the water, deputies said. He was not seen again until the body was recovered.

Optical glass differs from other types of glass in two essential characteristics. It is free from imperfections and it can be obtained in a wide range of optical properties.

Court Rejects Guilty Plea

ALLEGAN — Ernest Sandefur, 43, charged with murder in the gunshot slaying of his 21-year-old son Sunday morning, pleaded guilty Tuesday to a charge of murder before Circuit Court Judge Raymond L. Smith, but his plea was rejected, pending the securing of legal counsel.

Sandefur, of 101 Allett St., Allegan, waived Municipal Court examination at his arraignment Monday afternoon before Allegan Municipal Judge Dwight Cheever, and was bound over to Circuit Court.

He was ordered to reappear in Circuit Court after he has obtained an attorney, either privately or by court appointment.

Sandefur's son, Gaylon Sandefur, of the same address, died at 7:05 a.m. Monday at Bronson Hospital in Kalamazoo of gunshot wounds suffered in the climax to a family argument at 9:40 a.m. Sunday.

An autopsy at the hospital Monday afternoon showed death to have been caused by a bullet which went through the left side of the chest, according to Allegan County Sheriff Harry Smith.

Smith said the post mortem showed the young man received two other bullet wounds in an arm.

The sheriff said Sandefur may still appear in Circuit Court in the present term, if counsel is secured in time. Sandefur is being held without bond in the Allegan County jail.
